

# City of Cohoes Local Law 8 for 2006 Child Care Facilities 1000 ft. Buffer Zones

Information in these categories is current as of 7/25/07. This information can change at any time if a facility has been recently cited for a violation, or fails to comply with the annual renewal process, problems which can place them in a suspended or revoked status. The list changes also, as new facilities are approved to operate and added to the system.
