

Cohoes Music Hall and Visitors Center Building Condition Report

Description

As part of its comprehensive Restore Historic Cohoes initiative, and in conjunction with the 150th anniversary of its opening in 1874 and the 50th anniversary of its reopening in 1974, by 2024 the City of Cohoes seeks to restore its majestic Cohoes Music Hall Theater, and preserve the historic National Bank Building this rare performance space and the City's Visitors Center are located within. As an essential step in that process, the city seeks support from the Preservation League for a comprehensive Building Condition Survey to include a review of the building's exterior envelope and interior finishes; accessibility analysis; review of theater's programmatic deficiencies; preliminary building code review; and review of heating, cooling, ventilation, electrical, lighting, and plumbing systems.

Project Funding Overview

City of Cohoes	\$19,500
Preservation League of NYS	\$17,500
Total Report Cost	\$37,000

Project Progress

Task	Status
Building Condition Report Started	Pending
Building Condition Report Completed	Pending
